作品简介：《五福捧寿》讲述了中国中的传统民间故事。在苦思冥想爷爷的生日时，香孩儿意外地遇到了一只把他吓了一跳的蝙蝠。从这里，香孩儿和蝙蝠开始了一段美妙的旅程。终于，香孩儿找到了一份满意的礼物。　这个故事采用皮影的动画形式，以东方美学的镜头语言和符合中国绘画特点的场景设计，处处向观众讲述中国的传统文化故事。蝙蝠在古代是好运的象征，在生日庆祝活动中经常被用来作为对寿星的祝福。这引出了另一种中国传统美德--“孝”，而蝙蝠也是“孝文化”的载体之一，饱含着年轻一代对长辈的美好祝愿。　中国有着悠久的历史和丰富多彩的中国传统文化，值得我们继续学习和探讨。"

Synopsis: Happiness and Longevity relates to a traditional Chinese folk tale. As Xianghaier pondered over what to get for his grandfather's birthday, he unexpectedly encountered a bat, which startled him. This chance meeting marked the beginning of a remarkable adventure between Xianghaier and the bat. Ultimately, Xianghaier discovered the perfect gift. The story is presented through the animated medium of shadow play, using the visual language of Oriental aesthetics and scene designs that reflect the distinctive characteristics of Chinese painting. In ancient times, bats symbolized good luck and were often associated with birthday blessings. This ties into another traditional Chinese virtue—filial piety. The bat serves as a symbol of this cultural value, representing the younger generation's heartfelt wishes for their elders. China's rich and vibrant traditional culture, with its long history, offers much to explore and appreciate.

The word "SKINNY" in the title symbolizes death, decadence, and decline, as well as structure, order, and essence, mirroring the traits of cities. "WORLD" signifies cities, society, and the broader world. The short film lacks a traditional plot, instead employing a series of surreal images to metaphorically portray various urban social issues and convey the creator's personal emotions and perceptions of self, cities, and society.

During the reign of Wanli in the Ming Dynasty, the land was plagued by famine and demonic chaos, with widespread discontent under harsh rule. The Taizhou School, practitioners of Wang Yangming’s philosophy, were branded as heretics and wanted by the court. The most respected leader of this school, He Xinyin, who was killed in prison, sent out his last message with his life—one must find a heartless person to find a secret book, Chronicle of Brightness, to save Wang Yangming Philosophy. The court, determined to eliminate this person and silence dissenting voices, ordered Zhang Zhiyuan, the governor of Huguang, to lead a group of assassins skilled in various dark arts to track down this heartless individual. The surviving disciple of the heart doctrine, Yue Hua, placed his last hope on this person, vowing to avenge his persecuted fellow disciples. However, when Yue Hua finally found the person entrusted by his master before his death in the bustling Flower Street of Yumen Pass, he was deeply disappointed. The man, known as Mr. Juan Jiu, was a self-indulgent and selfish rogue engaged in extortion, murder, and other illicit activities. He lived a dissolute life, indifferent to the survival of the heart doctrine, and made Yue Hua's quest extremely difficult. Yue Hua even doubted he had found the right person. As Yue Hua grappled with his doubt, the court’s assassination squad arrived, sparking a bloody storm in the border stronghold. Juan Jiu's involvement became irrelevant; the city full of killers left only death as a solution. To save his own life, Juan Jiu decided to disguise himself and flee beyond the pass but was exposed by Yue Hua. Their struggle attracted attention, revealing their identities and putting Yue Hua’s life in peril. Juan Jiu was forced to help, and his past secrets were unveiled. It turned out that Juan Jiu was once a colleague of the pursuers, the infamous Ghost Owl commander in the secretive court intelligence division, the Shenji Army. Thirteen years ago, during a secret mission, Juan Jiu betrayed and killed twelve members of his own unit, was captured, and was sentenced to a heart-extraction execution. Despite being presumed dead, this killer was now inexplicably the savior entrusted with the task of rescuing the heart doctrine. Though Yue Hua found the situation absurd, the urgency of survival forced him to escape with Juan Jiu beyond the pass. On their journey, the two, while concealing their identities, witnessed those who helped them being killed, and no matter how they hid themselves, the pursuers could always find them. These experiences gradually changed Juan Jiu’s initial thoughts. Since fleeing offered no hope of survival, he decided to confront the enemy head-on, rallying a group to fight the Shenji Army. While dealing with relentless pursuers, he searched for the Chronicle of Brightness to overturn the dark rule of the cabinet…

作品名称：成年人与毛绒玩具　Title：Fluffy toy

作者：徐睿琪

院校名称：北京电影学院现代创意媒体学院

作品简介：本项目探讨的是关于成年人仍然沉迷于玩具的现状。我身边经常有成年人为了购买玩具不惜花费很多时间精力去排队，不顾周围人异样的眼光的现象。这些看似奇怪的现象背后，实则是成年人对自己进行的童年补偿。儿童时期没有得到想玩的玩具，长大后再宴请童年的自己。同时，在高压的生活的下会产生“退行”心理，短暂的回到他成长的早期阶段，运用该阶段的思维方式和行为模式进行应对。我绘制了三个关于成年人仍然沉迷于玩具的故事漫画，阅读漫画的过程中，人们可以短暂地忘记压力，无负担地做回孩子。

Synopsis: This project explores adults’ addiction to toys. I know a lot of adults who spend a lot of time and energy queuing up to buy toys, regardless of how people around look at them. Behind such a seemingly strange phenomenon is the compensation for wants not satisfied in childhood. As they didn't get the toys they wanted as a child, they want to compensate themselves when they grow up. At the same time, a stressful life may lead to a "regressive" state of mind, in which the adult temporarily regresses to an earlier stage of his or her development and adopts the thinking and behavior patterns of that stage to cope with stress. I’ ve drawn three comics about adults’ addiction to toys. When reading these comics, people may forget about stress for a little while and feel free to be kids.

作品名称：神奇的动物剧团　Title：Mystery Animal Theatre

作者：徐睿琪

院校名称：北京电影学院现代创意媒体学院

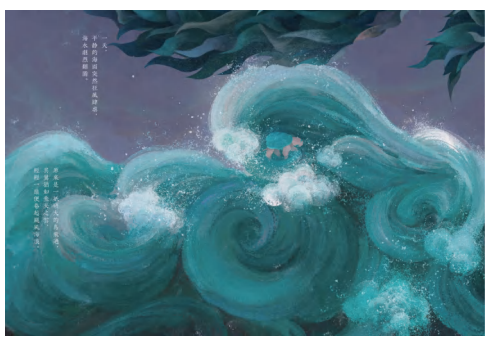

作品简介：《神奇动物剧团》围绕贩卖儿童这一现状展开，用绘本的形式讲述了一个奇幻的故事。我基于中国古代流传的“采生折割”的传说和自己儿时常被叮嘱小心地下道流浪汉的经历创作了这个故事。人口贩卖可以追溯到中国古代，人贩子非常恶毒，拐骗小孩后，将其致残，以便卖艺赚钱，以畸形博眼球。当下世界，有些地方仍有拐卖儿童的现象。人贩子采用各种套路这种故事本身很血腥，我一直在思考如何用温和的方式告诫孩子防止被拐卖。我用了中国水墨技法，以绘本形式呈现，用魔幻的故事提高孩子们对不法分子的警惕意识。

Synopsis: Magical Animal Troupe tells a fantastic story in the form of a picture book centering around child trafficking. This story is based on the ancient Chinese legend “cai sheng zhe ge” (deliberately making individuals disabled or deformed to win the sympathy of passers-by, so as to obtain a large amount of money) and my childhood experiences of being told to beware of vagrants in underground passages. Human trafficking can be traced back to ancient China. Human traffickers are very vicious. Children are maimed after being trafficked to gain sympathy for their deformity so that they can earn money by performing. Child trafficking still occurs nowadays. The story of the various methods used by human traffickers is horrifying, so I have been thinking about how to warn children in a gentle way to prevent them from being trafficked. This work adopts Chinese ink painting techniques and is presented in the form of a picture book, aiming to raise children's awareness of child traffickers through a fantastic story.

作品简介：当今社会快速变化，信息爆炸和高竞争压力给青年人带来了前所未有的挑战，许多早已在法律意义上成年的青年人在初入社会时，仍然觉得手足无措，好似自己一夜之间变回了懵懂无知的幼儿，需要“重新长大成人”，又或者他们从未真实的“成熟”。本作品以此为灵感，试图通过漫画的形式展示青年人初入社会的阵痛和迷茫，希望能够给正在找寻方向的青年人一点慰藉，帮助他们更好地理解和接纳自己的困惑。 漫画描绘了一个初入社会的女性，在事业和社交的双重压力下，陷入了自我否定之中，认为自己是一个不合格的大人，但在后续的一系列经历中，她看见了周围所谓成熟大人的脆弱和幼稚，逐渐明白了世上绝无所谓真正的完全成熟的大人，每个人都在以自己的方式不断找寻着自身与社会的共处方式，不断在挫折和困难中重生，变成更好的自己……

The cartoon depicts a woman who just entered society. Under the double pressure of career and social contact, she was trapped in self-denial, thinking that she was an unqualified adult. After a series of subsequent experiences, however, she gradually understood that there are no so-called fully mature adults in the world and that everyone is on their own path to find their own way of coexistence with society; they are repeatedly reborn in setbacks and difficulties, to become a better self...

作品简介：《都挺好》是一部以第一人称视角讲述主角“我”因为考研失败，在大城市中找工作失败，最后回到老家在海边捡垃圾慢慢生活的故事的漫画作品。其创作思路主要源于作者本人在面临毕业时是准备考研还是找工作时的焦虑与迷茫的感受。由一个个日常生活片段构建成整篇漫画，从之前在准备考研的“紧绷”到后来回到老家捡垃圾的“松弛”，最后得出“无论哪种人生都会有遗憾，现在这样就挺好”的感悟，将潜藏在生活点滴中的趣味娓娓道来。

The central theme highlights how certain foreign cultural and tourism companies market attractions primarily for profit, often leading visitors to discover that these places are not as picturesque as advertised. The work features a diverse array of characters with bold, exaggerated movements, and many have animal-like heads. This portrayal serves as a satire of human personality traits, amplifying people's negative aspects by likening them to animals.
